

INVENTORY CHECKLIST (1 OF 4)

This inventory form is for the protection of both the tenant and the landlord.

You (the tenant) and the landlord or the landlord's agent should fill out the "Condition Upon Arrival" section of the form within three days of your moving in. If you request an initial inspection before you move out, you and your landlord or agent should conduct the initial inspection about two weeks before the end of the tenancy or lease term and fill out the "Condition Upon Initial Inspection" section. As soon as possible after you have moved out, the landlord or agent should fill out the "Condition Upon Departure" section. It's a good idea for you to be present during the final inspection, but the law does not require that you be present or that the landlord allow you to be present.

The landlord or agent should sign a copy of this form following each inspection, and you should sign following each inspection for which you are present. Both you and the landlord or agent should receive a copy of the form following each inspection.

Be specific and check carefully when completing this form. Among other things, look for dust, dirt, grease, stains, burns, and excess wear.

Additions to this form may be made as necessary. Attach additional paper if more space is needed, but remember to include copies for both the landlord and the tenant. Both parties should initial any additional pages after each inspection. Cross out any items that do not apply.
